LANE COMMUNITY COLLEGE
GED Preparation Program
16-18 Year Old Student Contract

Expectations

Lane Community College provides preparation for the General Educational Development (GED) Tests for 16 and 17 year-old students. Attendance is required as part of the GED program. Excessive unexcused absences are cause for dismissal from the program. If you are going to be absent for any reason, be sure to contact your instructor and teen advisor.

When students are accepted into the program, they are expected to:

1. Attend classes regularly.
2. Be on time when reporting to class.
3. Meet regularly with their GED teen advisor.
4. Attend a college campus tour.
5. Abide by the rules outlined in The Student Conduct Policy of Lane Community College. All students are responsible for knowing and following college policies (www.lanec.edu/cops/conduct.htm).
6. Refrain from using cell phones in class.
7. Make academic progress towards passing the GED tests by improving their scores on:
 - Official GED practice tests,
 - CASAS tests, and
 - Holistic Writing assessments.

Disqualification

Students may be disqualified from the program and referred back to their local high schools under any one of the following circumstances:

- The student does not satisfactorily complete assignments.
- The student does not attend class regularly.
- The student violates the conduct policy of the college.

Students may be given a one or two week time-out from class to reconsider inappropriate behavior. Re-entry is dependent on space available and approval of the instructor. Failure to improve behavior may result in release from the program.

The student's parents or legal guardian and previous high school may be notified in writing of any disqualification.

Program Completion Requirements

When students pass all five tests, they have successfully completed the GED program and can participate in graduation exercises at the end of spring term.

- Students must be referred for GED testing by their instructor. Referrals for testing are based upon attendance, GED pre-test scores, and goals of the student.
- Students who are 16 or 17 must have an Authorization or Exemption paperwork before taking the GED tests.
- The Testing Office charges a one-time examination fee of \$85.00 before testing begins.

Agreement

I understand that my admission into Lane's GED Preparation Program is limited to the current term and continued enrollment will be determined by my attendance, the maturity of my behavior, and my academic progress. I understand that I may be removed from class immediately if my attendance or behavior does not meet program requirements.
