RE: Registration of Private Alternative Education Program

Pursuant to ORS 336.635 and OAR 581-021-0072, the application for Childs Way Alternative School at 37895 Row River Rd, Dorena, OR, to be registered as a private alternative education program for 2015-2016 has been approved.

Subject to the approval of each contracting district, a registered private alternative program is eligible to receive public school funds from school districts on a contractual, per student basis during the 2015-2016 school year.

Prior to contracting with or distributing public funds to a private alternative education program, each contracting district school board must determine that the private alternative program is registered with the Oregon Department of Education (ODE). Program registration may be confirmed by this letter or by referencing the School Directory and Institutions Database linked from <http://www.ode.state.or.us/search/page/?id=736>.

School district boards are required to adopt policies and procedures for contracting with private alternative programs. Those policies and procedures must include provisions for:

- The annual approval of each program;
- The annual evaluation of each program; and
- The placements of students in the programs.

A registered private alternative program must be in compliance with ORS 336.631, ORS 336.635, ORS 336.337, OAR 581-021-0045, OAR 581-021-0072, or the Standards for Private Alternative Programs. Those found not to be in compliance will be removed from the ODE list of registered private alternative programs and will not be eligible to receive public school funds through contracts with school districts.

Dear Mr. Kerns:

On April 23, 2013 Child's Way Charter had an on-site visit from the Northwest Accreditation Commission. Mr. William Willey and Mr. Dick Hornaday reviewed all documents and programs of the organization and ascertained the organization had met all the requirements for accreditation. A report of the findings was sent to you earlier.

As part of this review, the visiting team reviewed and observed the alternative education program at the site. The visiting team's conclusions included the alternative program as part of the final documentation and the program should be considered as part of the accreditation visit.

Sincerely,

William Willey
