Walter Pennell
 County School Superintendent

CLERK'S ANNUAL CENSUS REPORT
October 1961

ORS 332.540 provides in part that:

"In each odd-numbered year the school census shall be the census taken the previous year multiplied by a factor determined by dividing the average days membership of resident elementary school pupils in the district as reported on the quarterly report submitted on September 30 of the current year by the corresponding data for the previous year."

It further provides that this report shall be forwarded to the county school superintendent by November 1.

- (1) School District No. 1, County Lane
- (2) Census of district, October 1960 882
- (3) Average daily membership resident elementary pupils from quarterly reports, September 30, 1960 462.5
- (4) Average daily membership resident elementary pupils from quarterly reports, September 30, 1961 682.5
- (5) Factor determined by dividing Item (4) by Item (3) 1.475773
- (6) Census October 1961 - Multiply Item (2) by Item (5) 1,302

Instructions:

Item (5) - Carry out decimal to four places.

Item (6) - Round off result to nearest whole unit.

State of Oregon
County of Lane ss. School District No. 1

I hereby certify that I am the duly elected, qualified and acting clerk of the above school district and that the information reported above is true, correct and complete to the best of my knowledge and belief.

Dated at Creswell Rt. 2, Box 750, Oregon, this 30 day of October 1961.

Bessie Kimball
District Clerk

CLERK'S ANNUAL CENSUS REPORT

CLERK'S ANNUAL CENSUS REPORT
October 1961

ORS 332.540 provides in part that:

"In each odd-numbered year the school census shall be the census taken the previous year multiplied by a factor determined by dividing the average days membership of resident elementary school pupils in the district as reported on the quarterly report submitted on September 30 of the current year by the corresponding data for the previous year."

It further provides that this report shall be forwarded to the county school superintendent by November 1.
