

Home School Request For DMV Statement of Enrollment

Please plan for the request process to take up to 10 business days.

In order to obtain an instructional permit from the DMV, home schooled students must present them with a *Statement of Enrollment* form that's been signed by Lane ESD authorities. This form verifies the student's compliance with home school requirements.

Please contact a local DMV office or visit their website to learn about any additional requirements that may be necessary in obtaining instructional permits.

Students who fall out of compliance with home school laws may be reported to the DMV resulting in suspension of driving privileges.

Please complete the bottom of this document and return it to Lane ESD, Home School Department, 1200 Highway 99N, Eugene, OR 97402 or fax to (541)461-8298. Once processed by the ESD, the *Statement of Enrollment* will be returned to the parent/guardian in the mail. Please call (541)461-8285 if you have home schooling questions.
