**About Lane ESD**

In providing services to Lane County school districts, Lane ESD seeks to fulfill our core purpose of **Shaping the Future: Supporting Excellence in Education**. Lane ESD employees strive to embody core values of equity, commitment, leadership, collaboration, and integrity.

The mission of education service districts is to assist school districts and the Department of Education in achieving Oregon's educational goals by providing equitable, high quality, cost-effective and locally responsive educational services at a regional level. The ESD partners with school districts, local universities and community college, and other community agencies in providing quality services to the component school districts in Lane County.

Lane Education Service District provides a wide array of services to the 16 School Districts in Lane County serving about 45,000 students. Services in special education, school improvement, technology, and administrative services are designed to support districts in meeting the challenge of serving a diverse student population. We focus on systemic school improvement, multicultural curriculum, and assisting districts in development of students who are well prepared to be global citizens. Additional information about Lane ESD is available at [www.lesd.k12.or.us](http://www.lesd.k12.or.us)

Lane ESD encourages and supports employee professional growth as we seek to meet the needs of students and school staff throughout the county.

**About Lane ESD's School Psychologist Program**

The School Psychologist Program provides Lane County schools with direct services in assessments to assist in determining special education eligibility and supporting school personnel in development of interventions to ensure student success. District priorities determine the services provided and may include psychological assessment, preparation of written reports, support for Response to Intervention (RTI) activities, case coordination, behavioral consultation and other related activities.

The School Psychologist Program is part of the Special Education Service Area, which also provides Speech Language Therapy and Augmentative Communication services, behavior consultation, and direct services for students with moderate and severe disabilities, students with emotional/behavioral disorders, and adjudicated at-risk youth.
