If your family lives in any of the following situations:

- Doubled up with friends or relatives because you cannot find or afford housing.
- In a shelter, motel, vehicle, or campground.
- On the street.
- In an abandoned building, trailer, or other inadequate accommodations.

Children & youth have the right to:

- **Receive the same special programs and services, if needed, as provided to all other children served in these programs.**
- **Transportation assistance to school and some school programs.**
