

**Lane County Technology Advisory Committee
Thursday, November 21, 2019, 1:00pm-3:30pm**

Location: Springfield School District Tech Services

(180 D St, the Tech Services building behind Springfield's old Admin Bldg. The property gate is on the northeast side and the meeting room entrance is on the north side, next to print services.)

AGENDA

Recurring Items

- **Service Incidents** — *A review of LESD service interruptions since last meeting*
- **Security/Phishing Events** – *A review of recent events hitting our radar*
- **E-Rate** — *Quick recap of any news this month*
 - Christina attended the E-Rate conference in October
 - USAC website has been updated to a new look as of Nov 11: <https://www.usac.org/e-rate/>
- **LESD Service review** - *A monthly brief overview of one of Lane ESD's services*
 - ISP (Jason Dodge)
 - E-Rate (Daniele/Christina)
- **Professional Development/Events** – *Share any upcoming or recently attended events*
 - ISSA Eugene Meeting - Thursday, November 21, 2019 from 5:30 PM to 7:30 PM at Capitello Wines, 540 Charnelton St. Eugene, OR
Meet and network with other cybersecurity professionals. We'll hear from an all-star cast of cyber-security professionals from local credit unions, moderated by Tim Gallo. Panelists will share best practices in information security programs: policy writing, incident investigation, vulnerability hygiene, threat intelligence, and earning buy-in for security projects.

- **Knowledge Sharing Topic of the Month:** Staff and Student User Agreements; Acceptable Use Policies
 - *What policies do your district have? Please share your versions to the group. We will work together to come up with elements of these policies that all districts might want to include.*
- **IoT Topic of the Month:** Wall-mounted projectors and monitors
 - *What is the current trend for districts going with monitors or interactive projectors? For projectors, what are districts currently using for connection types? If wired or wireless network connections, how well they are working.*

Roundtable Items

- Disabling SMBv1 (Charles Ranlett) - *A followup from October's LCTAC*
- Security framework/CIS progress (Charles Ranlett) - *A followup from October's LCTAC*
- Identity management implementation methods (Springfield SD/Eugene SD)
- District whitelist Google domains

Next planned LCTAC meeting:

- **December 19, 2019: 1:00pm-3:30pm, Lane ESD Room 9**
